Please can you discuss with Catrin how to handle sample requests from the mailing that she did, I believe that SN has agreed to allow 2 samples of each per customer. Catrin is off today, and I am on leave this afternoon, so it would be best to discuss first thing Friday morning as Catrin, Steve N and myself will be tied up in a Zoom meeting from 10:30.

For reference, the single part number for samples of 4420926 is 4421126. We don't currently have them in stock.

Thanks,  
Steve
