I need a quotation in Euro please with the freight cost and insurance.

Don't forget to send me your bank euro account in order to transfer the money.

Hi,

Thank you for your reply.

I am only able to give you our current prices. This is not something that will change. When you decide which currency you would like to use, I will be able to issue a proforma invoice.

Many thanks.

Kind regards

Kate Griffiths

Good morning,

Sincerely the price in USD is more expensive than the Euro and specially that the euro is equivalent to USD.

What we can do regarding this issue?

Thank you for your usual cooperation.

Good morning,

Before I create a proforma invoice, please could I ask whether you require it to be in euros or US dollars? You asked for prices in both currencies recently. Your account is currently set up for USD.

Many thanks.

Good morning,

Thank you for your enquiry.

Unfortunately, we cannot offer a compatible, as the sensor is chipped so that only the originals will work.

I am sorry I have been unable to assist you on this occasion.

Many thanks.
