Please add the following notes to the quote underneath the line items:
"On-site service of 13 infant resuscitation cabinet systems.
Parts to effect repairs, if required, will be chargeable.
For the period: 01/02/2023 - 31/01/2024
Services due November 2022"

Customer quotation reference: LGM22305
Contact: Deb Ruddy, Lifecycle Group, tel: 01865 648119.

As you have nothing to check against, I have attached a copy of the quotation for last year's services that required exactly the same work, so it can be repeated.

If you want to send it to me when checked, I will send it on with some additional information, thanks. If you have any questions at all, please ask.

Thanks,

Steve
