RE:
Maxtec
EN ISO 13845:2016 Recertification Audit

TÜV SÜD America, Inc. confirms:
Maxtec
2305 South 1070 West, Salt Lake City, UT 84119, USA

Certificate:
Q5 045041 0023 Rev. 00, valid until 2022-09-19

The Quality Management System of Maxtec was subject to an EN ISO 13485:2016 Recertification Audit on October 12 – 15, 2021.

The audit was executed, and the audit team made a positive recommendation for recertification to the certification body. The certification body of TÜV SÜD is in the process of finalizing the review of the audit package, considering the audit team's recommendation. This letter does not imply certification

Sincerely,

A handwritten signature in blue ink, appearing to read "Neil Hall".
