Dear Rachel,

Further to my email below regarding your order 41335NHL, I have recently received an update on part number 0131602 from our UK Sales Director.

Unfortunately, this sub assembly for MAXO2 A and MAXO2 AE is no longer available. However, the parts can be ordered separately as follows:

- 0131606 R217P09-001 Front Overlay - £32.50 each
- 0131608 R217P01-100 PC Board - £158.00 each
- 0131609 R217P06-001 Front Cover - £7.90 each
- 0131610 RP57P50 Pin Connector. (This needs to be soldered to the PC Board) - £1.10 each
- 0131611 R217P21 Foam Battery Absorbers. (Two required per unit) - £0.50 each

NOTE: Existing front covers cannot be reused since the PC Board is mounted to the front cover by heating the 8 small plastic pin bosses with a soldering iron.

Please can you confirm you are happy for me to amend your order to show the separate parts as listed above?

Kind regards

Sophie Lines

Hi Rachel,

Thank you for your order. I can confirm this has been processed, however we unfortunately do not have the items in stock - I would estimate the lead time to be approximately 4 weeks. Please accept my apologies for any inconvenience this may cause.

If you require any further assistance please do not hesitate to contact me.

Kind regards
