Hi Ryan

I'm Jair from Totalmat's technical dept.

Iago used deal with you guys about O2 sensors, but he's not working with us anymore.

Then, please, could you send me a quotation for that O2 sensor we use purchase? R17 model. 10 pieces of.

Furthermore, I'd like to know whether there's some price break for this product, and from which amount there it is.

Thanks in advance.
