Hi Kosal,

I am sorry for any misunderstanding, we do not have the alternative 0110413 in stock now, but the lead time would be 2-3 weeks from date of payment received.

I am happy to **add 5 x 0110413 to your proforma invoice** - please let me know.

Many thanks.

Kind regards

Kate Griffiths

Dear Kate,

Once again of the below:

**** The items are in stock, apart from part number 0110444 which is a non stock item. There are alternatives to this sensor - they are the MAX-13, part number 0110413**

In the PI you make the item of part number 0110444, due to this item not available stock. So you can revise the new PI to alternative of 0110413 as well.

Many thanks,

Kosal
