Can You prepare to me the correct amount with the old invoice plus the new one that I charge a Mastercard with that amount?

Hi Guido

Thank you.

We don't take Amex, but we can accept Mastercard or Visa, can you supply us with your card details and we can sort it out?

Best regards
Ryan

Hi Ryan!

sorry but I did not received any previous email. The had some issue with the email provider since we had to change our mail provider 2 times. Maybe it was lost during this migration?

I' sorry for that.

Well as in the past you can use my amex credit card to pay this overdue.

I thought you already used this card to pay the last invoice.

I take advantage to order 10 r17 van

and 2 sensor compatible with r22s1 (Divesoft analyzer)

Thank You

Guido
