Hello Siphie,

Thank you for your answer. Shipping address in Germany is:

Sabine Misgeld, Hubertusallee 14, 14139 Berlin.

We are waiting for your invoice.

08.11.2022, 17:49, "Sophie Lines" <office@viamed.co.uk>:

Good afternoon,

Thank you for your email. Unfortunately we are still unable to ship to, or accept payments from Russia - however we would be happy to process a Proforma Invoice for 50x units using the Germany address we have used previously - or please let me know if I should use a new address?

Kind regards

Sophie Lines

Hi, Sophie.

Can we buy an oxygen sensor ufo 130-2 in Russia or do we need to pay you with our colleagues from Germany? The delivery address will be in Germany. We need 50 pcs.
Thanks in advance.

Use the address indicated in my
previous letter as an alternative.

Please leave the remaining funds for
future orders.

Is it possible to order 40 more sensors?

18.03.2022, 13:29, "Sophie Lines" <office@viamed.co.uk>:

Good morning,

I am emailing to confirm I have amended the
delivery address to the following:

Sabine Misgeld
[Hubertusallee 14](#)
[14193 Berlin](#)
[Germany](#)

Our accounts department has informed me we will
also need an alternative invoice address - should we
use the same as the delivery address? Alternatively,
I can see a previous invoice address on your
account as follows: Reiseservice Nagel,
[Marienbrunnenstrasse 10, 04299 Leipzig, Germany](#)

Please advise which address we should use? Once
your order is dispatched, your PDF invoice will be
emailed to you.

Furthermore, as the carriage cost to Germany is
cheaper, there is now \$81.85 credit on your account
- please let me know if you would like to keep this for
future orders, or receive as a refund?

Kind regards

Dear Ryan

Can you send our order to an individual?

Address and name:

Sabine Misgeld, [Hubertusallee 14, 14193 Berlin](#).

Thanks a lot.

Dear Konstantin & Alexey

As I am sure you are aware, due to the situation in Ukraine, we are facing some trouble supplying goods to Russia. Our courier, UPS, has ceased transportation into Russia and I believe many other couriers are doing the same.

With regards to your current order, should we wait to see if there are any changes, cancel your order and send a refund or would you prefer to use an alternative delivery address outside of Russia?

I will await your reply.

Kind regards

Ryan
