Good afternoon Ryan

OK thanks for all the info, I honestly thought it would have been paid by now, I have passed them on already many times, will try again, and regarding the proforma I totally understand that is fine.

Regarding the last order can we please change it now, instead of 6 x A17VAN sensors, can we have 2 x A17VAN sensors for the TEK OX, And 4 x TEK OX Analyser units. Send me over a new proforma for these and I will try again to get it resolved.

Sorry about all this.

Best regards
Ryan

Hi Ryan

Unfortunately we are still waiting for a payment against the outstanding invoices. We have emailed several times regarding this. I have attached a statement for your reference.

Our accounts department has suggested it may be best that we work on a proforma basis moving forward, I have attached a copy of a proforma for your new order. Please can you ask your accounts to pay this at the same time as the statement and we will ship your order as soon as payment is received.

We can accept payment by bank transfer or most major credit/debit cards.

Please let me know if you have any questions.

Best regards
Ryan

Hi Ryan

Thank you very much for your order and please accept my reply.

We have the TEK-Ox available, but unfortunately we do currently have the sensors for them, as all production of O2 sensors has been prioritised towards the manufacture of medical sensors, in lieu of the pandemic.

We are expecting to have some available in September, but this could change due to medical requirements. Please can you let me know if you would like us to add your order to the queue or would you prefer to cancel your order?

I will await your reply.

Best regards
