Good morning Irina,

Just a quick email to ask if proforma invoice MVM139998 is still required? It expires on November 27th, at which time I would need to delete it and it becomes invalid to be used for payment.

I can of course issue another proforma invoice at any time.

Many thanks.

Kind regards

Kate Griffiths

Good morning Irina,

Thank you for your order.

Please see attached proforma invoice with prices. Please let me know if you require any changes to be made.

As you are aware, we have no stock of part number 0110433 - oxygen sensor MAX-250K. The stock that will be available in December has been allocated, so the new lead time would be longer than that.

All other items are currently in stock, though part number 0110431 - oxygen sensor MAX-250A has very low stock which I think will be purchased very soon.

Many thanks.

Kind regards
