Hi Ella,

Thank you for your order. Unfortunately, the specific sensor that you have ordered (0110581 - Oxygen sensor OOM202) is not currently in stock. We expect the lead-time to be a few weeks. We do however have a direct alternative, which is the same specification but lower cost:

Part No: 0110049 - Oxygen sensor R-49V

1-off: £42.00+VAT

2-off: £40.00+VAT

3-10: £38.00+VAT

11+: £36.00+VAT

Carriage is FOC.

I have attached the relevant data sheet and DoC as requested. Do you want to order this sensor instead? Please note: for the first order with a new customer, we work on a pro-forma basis, but should you wish to continue to order from Viamed, we can send you a credit application form to grant a 30-day credit account subject to approval.

I look forward to hearing from you.

Best Regards,
