Hello Janine,

Thank you for your email.

I have amended the carriage charge to £23.00 so please go ahead with the order.

Sorry but there's no way for me to put a note against your account about the carriage charge acceptance of up to £25.00, our system's just not set up for something like that.

If you see future orders coming through from myself, know that this will be the case and I will amend the carriage cost at the invoice query stage so that you don't have to keep emailing me about it.

Regards,

Lisa.
