Order Notes:

Helen called regarding recent order for 2x TOF 3D's and 50x thumb adapters (CVM140322). She queried why she hasn't also received the free hand adapters, which she received last time she ordered in April.

Clarified the memo on TOF 3D with SH and CH and they confirmed 2x FOC hand adapters should have been added to CVM140322 at the time of ordering. Will process a FOC order for missing hand adapters
