Hi, please can we set this company up on the system and send them a proforma invoice for 30x R-17A sensors. EUR distributor pricing.

Please let me know if you have any questions.

Thank you, Ryan

Dear Marko

We have the stock available, so we would arrange dispatch as soon as payment is received against a proforma invoice. We use UPS for transport, but you can make your own transport arrangements if you would prefer.

Please let me know the details if you would like to proceed and I will send you a proforma invoice with the total costs including delivery.

Best regards

Ryan

Hi

We have some sensors available from stock, we would ask for prepayment and then send the order as soon as payment is received. If you are planning to proceed with an order, please can you confirm the quantity you would require and I will check availability?

Best regards

Ryan

Dear Marko

Please accept my email, as we represent Teledyne's automotive range outside of the USA.

Please find some information attached and our distributor pricing for the R-17A below:

Euro Distributor	1+ = € 38.80 each EXW	10+ = € 33.20 each EXW	25+ = € 31.00 each EXW	50+ = € 29.10 each EXW	100+ = € 27.40 each EXW
------------------	-----------------------	------------------------	------------------------	------------------------	-------------------------

We currently have stock available from our UK warehouse.

If you would like to proceed with an order, please supply your complete delivery/invoice details, contact for your accounts, management and purchasing and your company EORI/VAT numbers.

I look forward to your feedback and I welcome any questions you may have.

Best regards
Ryan
