Hello

Sorry my apologies.

I do need to make you aware of the Royal Mail strike which is in place as we speak for the next couple of days, therefore your order is expected to be dispatched at the start of next week.

If you would like we can offer you an upgrade with UPS for an additional £2 (£12) and try and get it dispatched today.

So the carriage fee would be £12 instead of £10.

Please let me know what you would like to do.

Kind regards

Hello

Good afternoon

Thank you for your order, CW174500.

I will go ahead and process this but do need to make you aware due to issues with our Royal Mail computer system, we cannot dispatch your order until some new software is installed. We endeavour to do this as soon as possible but unfortunately, it is out of our control.

Should you wish to upgrade your delivery service to UPS for £2.00 more (£12), We will try and dispatch today/ tomorrow.

Alternatively, your order is expected to be dispatched by the end of next week, as long as the new system is in place.

Please let me know what you would like to do so I can proceed with the order.

Kind regards
