Good morning Ponsorn,

Thank you for your emails.

I can confirm that the R-49v is compatible with Max-12 and OOM-202 as you mentioned in another email.

Are you able to confirm that the address I have used are correct please?

Dear Ryan,

Thanks, but no need to amend previous PI, and I'm ok if you quarantine that R-49V was completely compatible with R-24Med, I'm planning to wire on tomorrow.

Dear Ponsorn Sengthan

Thank you very much for your email. We are currently having some supply issues with the R-24MED, but we can supply the R-49V which is fully compatible.

R-49V - 0110049 = USD \$37.75 each EXW

Please can you let us know if you would be happy for us to switch your proforma invoice to R-49V?

We will await your reply.

Best regards
Ryan
