Dear Ryan,

We are happy with your sensors. A pity could not get the 9212-5H to work.

We would like to place an order for the following:-

25 x 9212-2 - Our equivalent sensor would be the R-33VAN-2 = GBP £55 each EXW

10 x 9212-4 - Our equivalent sensor would be the R-33VAN-4 = GBP £60 each EXW

Let me know if prices are different.

Best Regards

James Lim
