Hi Kate,

Thanks for your answer, prices are correct in our system, yet they are expressed in € instead of \$.

Only the amount under the grand total is expressed in \$. This one should be correct I suppose...

Unfortunately there is no solution to change that, this is why you keep receiving these wrong prices...

Yet we fully agree with the prices you mentionned, you can send the goods...

Best regards, and sorry for that curious system problem

Best Regards

Frederic
