Please cancel the InnerSpace order CST13967. They no longer require them.

The 25 sensors in stock can be used to supply Megalodon (see below). Process as a new order and process at the qty pricing (100) of £29.35 each.

Also send by PPUPS1 at no charge.

The sensors can be shipped straight away.

Steve

Steve

Regarding the 25 cells that ISC have on order I will take them.

Regards,

Dennis Vessey & Co
