Good afternoon Richard,

Thank you for your enquiry.

My colleague Sophie emailed the address on the PO (rsch.hplcpa@nhs.net) with the following information:

Thank you for your order. Unfortunately the price on your order is incorrect. The latest price breaks for part number 0110040 (R-30V Oxygen Sensor) are as follows:

1 unit - £67.00

2 units - £63.65

3-10 units - £60.30

11+ units - £56.95

Please can you let me know if you are happy for us to proceed with your order at this price?

I would be happy to proceed if you let me know, **though I do need to let you know that there is a lead time of approximately mid January for this item.**

Many thanks.

Kind regards

Kate Griffiths
