Please process two VST orders from JJ-CCR:

700 x 8010004 set provisional shipping date as the 10th February
700 x 8010004 set provisional shipping date as the 10th March

Hi Jan

Time seems to be ticking away faster and faster.

We have an order from you for 600 sensors in January. Have you thought about your requirements for February and March?
