Good afternoon Jelena,

Thank you for your order.

I need to advise you that we are experiencing supply issues relating to part number 0110024 - R-24MED. We are unable to say when we will be able to supply these. **We have an alternative - 0110049 - oxygen sensor R-49V which costs \$37.75 each.** This sensor is currently in stock. **Would you like me to change your order to show 10 x 0110049?** I have attached a specification sheet.

I have also attached a copy of your order (with the 0110024) to show prices, carriage would be added at the time of invoice. Please let me know if you would like me to change your order.

Many thanks.

Kind regards

Kate Griffiths
