

The following Items all have a relevant Circuit Diagram applicable to that individual design specification:

0018540 to 0018960	Finger Probes
0018562 to 0018882	“Y” Probes
0019248 to 0019698	Extension Cables

These Circuit Diagrams are to be found in the Viamed Files in “Autocad” and also in the Original Manufacturers documentation.
