This message originated from outside of NHSmail. Please do not click links or open attachments unless you recognise the sender and know the content is safe.

Good afternoon,

Thank you for your order.

Please could I advise you that the correct price of part number 0110040 - R30V sensor is £63.65 each when purchasing two.

The other price breaks are as follows:

1 = £ 67.00	2 = £ 63.65 each	3 - 10 = £ 60.30 each	11 or more = £ 56.95 each
-------------	-------------------------	-----------------------	---------------------------

Please let me know if you would like me to proceed with your order.

I also need to inform you that this sensor has a lead time of approximately mid January 2022.

Many thanks.

Kind regards

Kate Griffiths

Viamed is now enacting hybrid working to allow sales and admin staff to work remotely and in the office. Telephone calls to the main office will be answered, but please continue to use email where possible.
