Hi Kate, just checking this before sending and I don't think it's what he asked for, it looks to me like he wants 2 separate quotes so they can compare both options:

- Quote 1) 20x MaxO2ME with 10x 0121182 - V-mount pole clamp large
- Quote 2) 20x MySign O with 10x 0121351 - MySign O Clamp
