

SILICONE DRYING
DO NOT DISTURB

A clear acrylic drying chamber is shown against a green background. Inside the chamber, a white cable with a black connector is coiled. The chamber has a grid-like structure on top. A white sign with black text is attached to the front of the chamber.

DO NOT DISTURB

A clear acrylic box is shown, containing a white cable and a black connector. The box is placed on a green surface. A sign is attached to the front of the box, reading "SILICONE DRYING DO NOT DISTURB". The box has a grid-like structure on top, with several small white connectors visible. The background is a green wall.
