Hello again,

My tel nr is +32 475 26 67 85. The sensors can be packed together ; but no partial delivery.

Best regards,

Philip

Good afternoon Philip,

Thank you for your reply, I will finish your proforma invoice tomorrow when I am in the office.

In the meantime, please could I ask if you would like the sensors individually boxed or bulk packed? Also, please could I ask for a contact telephone number? UPS require one, so I need to add it to your proforma invoice.

We have a small amount available from stock, subject to being quality assessed. Stock levels change constantly of course!

Many thanks.

Kind regards

Kate Griffiths

Viamed is now enacting hybrid working to allow sales and admin staff to work remotely and in the office. Telephone calls to the main office will be answered, but please continue to use email where possible.
