Hi Christer

Yes the blue T adapter is included:

Standard accessories included: OOM111 oxygen sensor, USB cable, T-adapter, flow diverter

I'll ask my colleague Sophie to send you a pro-forma invoice including our details.

Regards

Steve

Hello

my client has made up his mind.

So I would like a quote for a 0111276 MySign O.

Is the blue t nozzle and measuring sensor included?

I also need your company information so I can add you to our system, and then make a purchase.

Med vänlig hälsning / Best regards

Dear Christer

I am sorry, but at the moment the supply of the AII-2000PALM O2R Oxygen Analyser has been suspended, we are awaiting the renewal of the EC certification documents.

As alternatives you may be interested in the:

0111261 Max-O2+AE
