Dear Kate,

We have Chinese New Year vacation during 1/20~1/29.
Now is too late to arrange payment by bank transfer.
We'll arrange payment on 1/30.
But during this period, if Royal mail fixed the cyber attack issue.
And recover their international export service.
Please kindly arrange the shipment as soon as possible with many thanks.
Also if you arrange the shipment, please let me know the tracking number.
Thank you very much.

Wish you have a nice weekend.

Warm regards,
Ruby
