Hi Ron,

A lot certainly has happened since we last spoke! Hope that you are keeping well and safe.

We no longer supply the Teledyne R-15 sensor, this has been superseded by the R-15V. Please see the link for the specifications.

Hi Sarah,

Just letting you know that the sensors arrived safely today but I couldn't sign for them because the sticker was missing, so not sure if the system will register delivery on your side. Anyways, all is good! Thanks for your help and have a great day!
