Hello from Greece,

This is Evan from Extreme Divers.

Can you please let me know if you have the attached sensor in stock and the price of it?

Greetings,

Evan

It's an R-49v

If we dont have a van price, use the viamed end user price.

Thanks

Great!

Can you please estimate the shipping cost, i remind you what happened last time that we received the package from the customs office after 3 months!!!

Please send me an estimated shipping cost with Fedex or UPS not RoyalMail for 4pcs.

Sunny regards,

Evan
