Hello Ryan

Yes, we will proceed with this order even by another incoterm. Please, help us with it.

Sorry for the late payments. That's a question we must solve with our finance dept.

Thank you Jair

It appears that there is already a quotation on our system for 30x R-17VAN sensors from 4th January, please find it attached.

We do not use FCA, only EXW or CIP (if we are the transport).

Please let me know if you are happy to proceed with this order?

Please note that we give you 30 days credit from the date of invoice. If payments are consistently late, our accounts department is likely to revoke the credit facility.

I will await your reply.

Best regards

Ryan
