Hi Robert,

Further to our telephone conversation please find attached 2 quotations.

1. QVM141603 is for the 11 x OOMLF111 Lead Free oxygen sensors as requested. Please be aware there is a delay in these due to component supply chain issues. These may take approximate 6 weeks arrive.

Alternatively,

2. QVM141604 is for 11 x OOM111, the standard lead anode sensor and works with Dehas machines also. These are available for immediate dispatch.

Should you have any queries please do not hesitate to contact me.

Kind regards

Catrin Hollings
