Dear Kate,

Many thanks for your feedback.

Please delete the position with 1114005, but the order remains the same, only please send us the Pi when it returns in your stock.

For the pulse oximeter we need the standard adult finger sensor not the ear sensor.

Looking forward to hearing from you.

All my best,

Good afternoon Orsolya,

Thank you for your order.

Please see attached proforma invoice.

For your free accessory, I have added part number 0014850 - Pulse Oximetry Ear Sensor. I can of course change this.

I need to inform you that part number 1114005 has an approximate lead time of 4-5 weeks. I have attached a leaflet for the equivalent alternative from the NeoMask range, the price is €27.50 each pack.

Kind regards

Kate Griffiths
