Hi Andy,

Thank you for your reply. Please find attached a Proforma Invoice for the items you require - if I have all your details correct (address, quantities etc) and you are happy to proceed, please let me know and I can then proceed with this order.

I can then request that my colleague in the warehouse, Cathy Green, contacts you for payment tomorrow when she comes to pick and pack your order, as she is the lady with access to our card machine.

Kind regards

Sophie Lines

Dear Andy,

Thank you for your email. I can confirm the price for part number 0120399 (`T` adapter. 22mm I.D. - 22mm O.D. Pack of 5) is £25.00 plus VAT and Carriage.

Regarding the MX300 docking cradle, I believe the part you require is 0100172 (Mounting stand for AX300 & MX300).

This part number excludes the rubber feet (0131205 x 3 required per unit).

I have attached our price list for the MX/AX300 spare parts.

If you require any further information please do not hesitate to contact me.

Kind regards

Sophie Lines

Hi.

Can you give me a price and availability please for these below.

Also would you possibly be able to supply the docking cradle for an MX300-I
