Hi Sophie

Yes, if we could please have the items you have in stock with the sensor to follow that would be great.

I have just made a BACS payment so the funds should be in your account immediately.

If you need any further information please do not hesitate to contact us.

Kind regards

Mandy

Dear David,

Please find attached your Proforma Invoice for the items requested.

Unfortunately, we do not currently have the sensor in stock (part number 0110660) however, we would be happy to part ship the other items on the order now, and the sensor once this becomes available.

Please let me know if there are any changes required to any of the details.

Kind regards
