Subject: Re: O2 cells

Thank you for your reply.

We would be able to use the 50+ price for each item:

25 x 0110107 at £30.90 each

25 x 0110157 at £19.25 each

Please could you confirm that you agree to pay 2 x £12 shipping for part shipment?

I have attached a snip for clarity:

Good morning,

Thank you for your reply.

I am sorry for any confusion, the R-17A-LVG is the Viamed branded version. At the time of writing this email, we have 25 in stock.

Many thanks.

Kind regards

Kate Griffiths

Hi Kate.
Do you have the equivalent in your own brand O2 cells?

Subject: Re: O2 cells

Good afternoon,

Thank you for your order.

I need to advise you that we are expecting a shipment of part number 0110107 - R-17A-LV but as yet we have no definite delivery date.

The price breaks for part number 0110107 are as follows for your information:

1-24 = £ 34.40 each	25 or more = £ 30.90 each
---------------------	----------------------------------

In the past (November 2021) you have purchased part number 0110157 - R-17A-LVG. The price breaks are as follows:

1-9 = £ 26.75 each	10-24 = £ 23.00 each	25-49 = £ 20.50 each	50-99 = £ 19.25 each	100 or more = £ 17.75 each
--------------------	----------------------	----------------------	----------------------	----------------------------

You could change your order to 25 of each if you are short of stock, or perhaps order 50 x 0110157 - we would part ship 25. Or of course you may be happy to wait for the stock you originally ordered to become available.

With regards to part shipping, I have to inform you that this would incur 2 x £12 carriage charges.

Please let me know if I can be of any further assistance. Alternatively, Steve Hardaker is happy to talk to you.

Many thanks.

Kind regards

Kate Griffiths
