Hi Kate,

My apologies, I might have not sent you the revised P/O. Sorry for that.

Would you like for me to cancel this item on the P/O and create a new P/O? Or would this one suffice?

Kindly advise.

Thanks,

Marilyn

Good morning Marilyn,

Thank you for your email.

Looking at your order 41490, I cannot see that you ordered any of part number 2520000. I can see that on your order 41224 twelve were ordered and delivered.

Your last order was as follows:

PRODUCT CODE	SUPPLIER CODE	DESCRIPTION	ORD QTY	UNIT	PRICE (EUR)	EXTENSION
VI-0110042	0110042	R-42V OXYGEN SENSOR	2	EACH	40.00	80.00

Many thanks.

Kind regards

Kate Griffiths

Hi Sophie,

I would just like to follow up on the item: 2520000 x3 (Microstim DB3 Patient Leads) on my P/O that we have not received.

Is this on back order? What is the updated ETA? Do you have an alternative to offer in the meantime?

Hope to hear from you soon.

Thanks.

Marilyn
