Hi Martin,

Following our conversation earlier today, please find attached our oxygen monitoring catalogue and price list. The MaxO2 ME is available as follows:

**p/n 0111263 - MaxO2 ME Oxygen Monitor @ £604.00+VAT**

**Carriage: £12.00+VAT**

We have these in stock.

The device is supplied complete with an oxygen sensor and a T-adaptor, and we have a range of other optional accessories available as detailed in the catalogue.

It doesn't look like we don't receive official purchase orders from yourselves, all previous orders appear to have been made by Leigh Williams by email or telephone.

If there is anything that I can help with at this stage, please let me know.

Best Regards,
