Dear John,

Following our recent telephone conversation I have pleasure in quoting you for the purple datex plugs with keyways at 3 + 6 ° clock.

Cat.No. 89.546.229 Purple Datex plug kit @ £15.00 each (minimum quantity 250).

Cat.No. DET1 Extraction tool for Datex plugs @ £37.50 each.

Above prices are subject to VAT.

QUOTATION VALID for 30 days.

Finally, we have received our latest delivery of Datex grey plugs and there are 400 pins short again!! These will be forwarded with the other 400 which were short on the last delivery.

John, I am sorry for these mistakes, hopefully they can be rectified over the next few weeks.

Best regards.

Richard
