Hi Sally,

Sorry to be a pain.

Please let them know:

This lead time is unacceptable. These are used for babies in Labour ward Postnatal ward and last but not least Neonatal. It's also unacceptable to inform me it's out of stock more than a week after I placed an order.

Please do send the alternative as soon as possible as my order from the 7th is still not here and we ran out in both hospitals now.

Can you please ask if the 1114006; and 1114007 are currently in stock and also what's the lead time for the ones they are sending. Please can we have a delivery date as well.

Kind regards,

Kalin Terziev
