You don't often get email from office@viamed.co.uk. [Learn why this is important](#)

Good afternoon Michelle,

Further to your telephone conversation with our commercial director Steve Nixon, I have amended your order to show 2 x 0110017. These cost £40 each when purchasing two, and carriage would be free of charge.

Therefore we owe you £24. Would it be acceptable to add a memo to your account and take off the £24 from a future order?

Many thanks.

Kind regards

Kate Griffiths

Viamed is now enacting hybrid working to allow sales and admin staff to work remotely and in the office. Telephone calls to the main office will be answered, but please continue to use email where possible.

Good morning Kate,

I thought I should check on the delivery status for the sensors we orderd, I understand that the lead time is early February but we open Monday to Friday so im hoping the delivery hasn't been attempted on a weekend. Is there a way for you to track our order please.

Many thanks for your help.

Michele

Good morning Michelle,

Thank you for your enquiry.

The price of part number 0110107 - Automotive R-17A-LV Oxygen Sensor is £46 each, plus VAT, plus £8 carriage (**carriage is charged as this is an automotive sensor**).

Please let me know if you require a proforma invoice.

This item has a lead time of early February 2023.

Many thanks.

Kind regards

Kate Griffiths
