Good afternoon,

Thank you for your reply.

The pricing in UK£ is £34 each EXW. **Are you able to say which flow sensors you require please?**

I would also need the UK shipping address in order to complete a proforma invoice.

Many thanks.

Kind regards

Kate Griffiths

Good morning,

Thank you for your email.

The prices are as follows:

R-23V - part number 0110023 costs \$43.75 each EXW

I have attached a leaflet about the flow sensors, please let me know which you are interested in.

We normally use UPS for delivery and it seems that UPS do not offer any services to Libya at this time. Do you have a courier account you can use to collect the goods?

Please could I ask for your delivery and invoice addresses in order to set up a new account for you? I can then issue a proforma invoice.

Many thanks.

Kind regards

Kate Griffiths
