Dear Kate,

Perfect, thanks a lot.

So yes I confirm that this sensor is suitable for us and that we will proceed with the payment.

Is it possible that you please send me an invoice or shall we proceed with the proforma invoice?

Kind regards,

Fabian

Good morning Kate,

Thank you very much for the datasheet.

Could you please confirm that this sensor is also compatible with the MOX-3 sensor from City Technologies/Honeywell (see [Datasheet](#))?

I could not find this particular information in the datasheet.

Thank you,

Fabian

Dear Sophie,

Please find attached our order for your offer MVM142043.

Do we have to pay the goods in advance (using the bank details in the proforma invoice) or will you already send us the goods and then provide with a final invoice afterwards?

Thank you for the clarification and kind regards,

Fabian

Sehr geehrte Damen und Herren,

Ich auf der Suche nach einem Ersatz für den Sauerstoffsensor MOX-3 von City Technologies/Honeywell (siehe [Datenblatt](#)), welcher laut Ihrer Homepage mit dem **MAX-3 (Artikelnummer: 0110403)** kompatibel ist.

Gerne wollte ich wissen, ob dieser Sensor verfügbar ist? Ich benötige lediglich 1 Stück.

**Falls ja, zu welchem Preis (inkl. Versandkosten in die Schweiz) und was wäre die zu erwartende Lieferzeit?**

Besten Dank im Voraus und freundliche Grüsse,
