Good afternoon Karen,

Thank you for your enquiry.

The price of part number 0110117 - R-17A oxygen sensor is £58 each, plus £12 carriage, plus VAT. This sensor is currently in stock.

Please let me know if you would like a proforma invoice. If so, I would need your delivery and invoice addresses and VAT number in order to set up a new account for you.

Many thanks.

Kind regards

Kate Griffiths
