Subject: General Diagnostic Ltd - Please supply  
To: Steve Hardaker <steve.hardaker@viamed.co.uk>

Hello Steve,

It is with deep regret that I write to inform you, that my business partner and long-time friend Rod Perkins, passed away suddenly on 17/01/2023.

Our 35 year partnership and the business of General Diagnostic therefore came to an unfortunate end on that date.

In order to continue trading I have formed a new company "General Diagnostic Limited".

Which will effectively carry on as "normal" providing the same reliable service our customers have always been accustomed to and expected along with the same contact details.

I would like to order:

25 off - Viamed R-17A-LVG oxygen sensors - P/O number 230302/cw

Should you require any further information or clarification, please do not hesitate to contact me.

Regards

Carl Wodke
