Dear Piotr

Thank you for your email, I have requested for the sensors to be added to your order. Would you like a part shipment of this order, as we are waiting stock of the 0110024, if this is possible I could try and dispatch the items we have in stock tomorrow for you.

Kind Regards  
Cathy Green

Good morning Cathy,

Apologies, this is very important. Could you please add extra 6x OOM113 (R-48V equivalent) to this order as well.

Again apologies for being such a forgetful head. I'm just having a really busy time at the moment.

Pozdrawiam serdecznie / Best regards,
