Hi Steve,

Many thanks for your condolences, he will be missed.

With regards to the Teledynes, I'm very low on sensors at the moment, so can supply as described.

Ship two batch's. Total of 25 Teledynes Part No: 0110107 - Oxygen sensor R-17A-LV

15 in one batch ASAP, then the balance when you are ready.

Could you please let me know when the Viamed R-17A-LVG oxygen sensors are back in stock, as we prefer these sensors.

Use the same P/O number 230302/cw

Thanks for your time !

Regards

Carl Wodke

Hi Carl,

I was saddened to hear of the loss of Rod, he was always very pleasant to speak to on the phone and highly thought of at Viamed. May I offer my condolences to his family and friends.

With regards to the R-17-A-LVG, as my colleague Kate pointed out, these are out of stock and could be 6 weeks away. If you need sensors urgently, the only other option is the Teledyne version, which is quite a bit more expensive due to a recent price hike from Teledyne, but we do have 15 of them in stock.

Part No: 0110107 - Oxygen sensor R-17A-LV

1-24: £34.40+VAT

25+: £30.90+VAT

If you were to order 25, we could part ship 15 at the 25-off price if required, but this would incur 2 separate £12+VAT carriage charges unfortunately.

If you need to amend your order, please could you advise Kate (cc'd in) thanks.

Best Regards,

Steve Hardaker

Hello Steve,

It is with deep regret that I write to inform you, that my business partner and long-time friend Rod Perkins, passed away suddenly on 17/01/2023.

Our 35 year partnership and the business of General Diagnostic therefore came to an unfortunate end on that date.

In order to continue trading I have formed a new company "General Diagnostic Limited".

Which will effectively carry on as "normal" providing the same reliable service our customers have always been accustomed to and expected along with the same contact details.

I would like to order:

25 off - Viamed R-17A-LVG oxygen sensors - P/O number 230302/cw

Should you require any further information or clarification, please do not hesitate to contact me.

Regards

Carl Wodke
