Hello

Good afternoon

Sorry for the delay in getting back to you.

Your order is still here with us as we are waiting on more stock to arrive for part 0110560 - OOM111, There is a current lead for this of 3-4 weeks.

I also need to advise you we do not have any of the R-48V left as they have been superseded by 0110579 which is just as compatible and the current price for that is \$40.00 each, I will attach some information below for the 0110579 Oxygen Sensor OOM113.

Please let me know if you agree for me to replace the R-48V with the OOM113 (0110579).
